

Project Estimate Request

Instructions and Drawing Grid

After you have gone through our website and selected a few choices; you may request an estimate by fax if you provide us with the drawing and approximate dimensions of your countertops. We recommend that you come visit our Showroom in order to make a final selection on the color and style of your stone.

Please provide the following information:

Customer Information:

Customer's Name: _____ Please reference this same name on the drawing.

Customer's Address: _____

Customer's Daytime and Evening Phone Number(s): _____

Project Description:

Stone Selection (Stone Name/Category): _____

Edge Selection (Ex. Eased, Bullnose, Ogee): _____

Sink Type (Drop-In or Under-mount): _____

Back-splash (Same Stone or Other Supplier): _____

Layout/Drawing Instructions:

Submit your layout/drawing with measurements using the grid provided. Indicate counter area, marking finished edges with an "X" and back-splash areas with "B/S". show approximate location of appliances (sink, stove, cook-top, etc.) as indicated in the sample drawing.

Note: The standard depth of a cabinet is 24" (Inches). The standard overhang of a countertop is 1.5". That makes the standard countertop depth a total of 25.5".

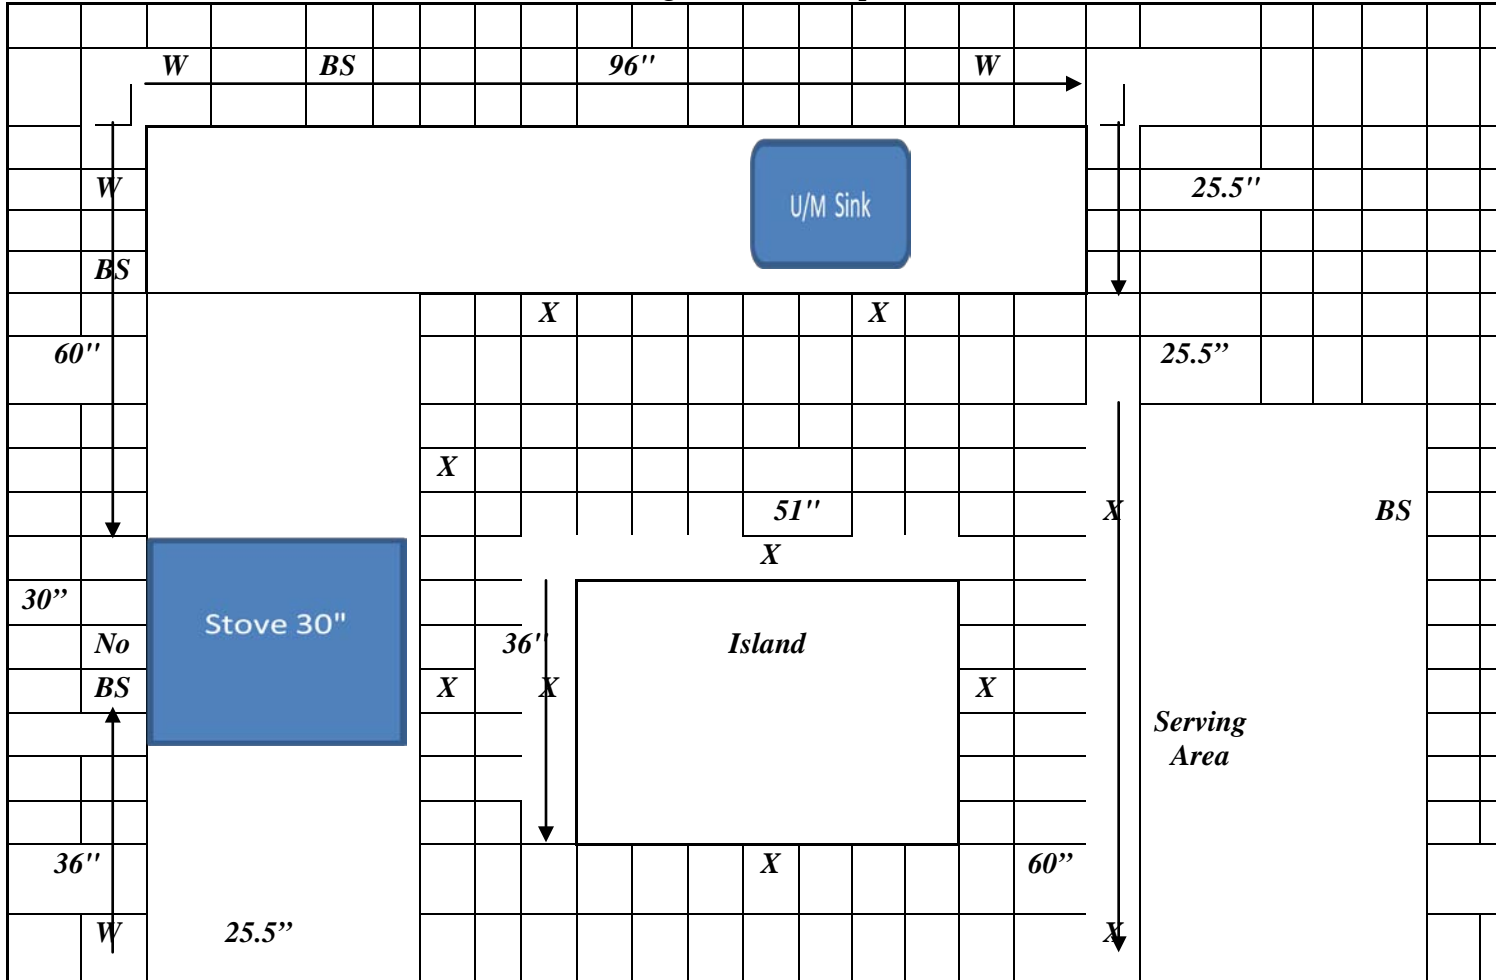

Fax this page and your drawing to 605-338-9758 or scan all pages and e-mail to info@everythinggranite.com
